

## Our One Calling

One Mission Society was founded on the principle that the most effective way to share Christ is by training a nation's people to lead and multiply their churches. These principles, along with enabling ministries and compassion ministries, are the basis of our dynamic four-fold focus:

- **Intentional Evangelism:** We become vessels of Christ, leading people to a life-changing relationship with Jesus, and then, we ensure that each person is discipled.
- **Planting Churches:** We encourage, empower and support new believers to form vital, thriving and life-changing churches.
- **Training Leaders:** We equip leaders in our training centers and seminaries worldwide so the future leaders of the national churches will be from within that country.
- **Forming Strategic Partnerships:** We show the world that Christians are united to spread the Gospel by working together with other mission organizations, ministries and churches in the countries we serve.
