Allahabad Bible Seminary, India

Sundar Raj Johnson, Principal of Allahabad Bible seminary sent the following prayer request:

Just want to update you on what is happening in ABS. The Pandemic has engulfed us so much so that we have lost two staff one driver and one young faculty. One professor is in the Medical college undergoing treatment. 12 people are tested positive two are heaving high fever and cough. We are in despair almost all of us are home quarantined and having difficulty helping one another. I am stressed so much. Kindly pray for us. One prayer request has been circulating saying that due to Kumbh Mela the campus is affected. I would like to inform you that the Kumbh meal is not observed in Allahabad but in Hardwar, Uttrakhand. The number of covid cases is increasing and the covid hospitals are full to their capacity, there are other technical problems too. Please pray with us.

Nathan Krampitz, Gordon and Ruth Coles, and others served at ABS.

OMS Canada Board

The OMS Canada Board will meet on Thursday, 22nd, to finish up some matters from the earlier March meeting. Pray for God's wisdom in the discussions and direction for the needed decisions.

Colleen Taylor, Haiti

Colleen is on her way from Haiti to Alberta. She will be in Florida a couple of days to get the necessary COVID test required by Canadian Immigration which was not available in Haiti. Pray that all the details will come together smoothly and for God's protection and strength for Colleen on the long flights and transit times in airports.

Helmut and Tina Markeli, Retired

Senior students from the OMS-related seminary on the South Pacific field will return to campus this week after their year of practical ministry. They will travel on crowded buses and through crowded bus terminals. Pray for God's protection for each one. So far the campus has been free from COVID but that is not true of the general public.

Because Jesus lives we can face life today, tomorrow, and forever,

Tina Markeli
