Larry and Susan Weil, OMS Global offices

With their return to Mozambique very unlikely, Larry and Susan Weil, are changing their assignment to new roles in the OMS office in Greenwood, Indiana. Praise God for His help as they drove across the country and getting settled. Pray for God's strength as they take up new responsibilities that will further the work of OMS in Mozambique and Africa.

Christian Academy of Mozambique has just started and now has to change plans for some in-classroom teaching to fully on-line at least until October. Pray for teachers and students in adapting, yet again.

Flo Epp, Retired

After a rough start, Flo has tolerated chemo treatments two and three fairly well with a fair level of energy. Treatment number four is scheduled for Thursday, 13th. Surgery will be scheduled in September. She hopes to attend the wedding of a grand niece after recovery from this round of chemo and before the surgery. Pray for God's protection over her.

Waiting, waiting, waiting

Brad Buzza and his wife Caroline, Colleen Taylor and Professional Overseas C, are eager to return to their fields. Pray that God will open the doors in His way and His perfect time. Ask God to show them how to use this time of waiting for His purposes. Pray for national leaders and pastors as they carry on the work of telling the Good News of Jesus despite the difficulties imposed by the Covid 19 pandemic.

Because Jesus lives we can face life today, tomorrow, and forever,
