

Policy on Donated Funds: A restricted contribution designated in support of a program or a single project which is approved by the board will be used for the purpose for which it was given. We make our policy dealing with donor designated funds known to all donors and potential donors by printing it on all fundraising material. To avoid being legally precluded from using designated funds at all if a project is oversubscribed or is terminated, the following policy is in place and is published:

- "Spending of funds is confined to One Mission Society Canada board approved programs and projects. Each contribution directed toward an approved program or project will be used as restricted with the understanding that when the need for such a program or project has been met, or cannot be completed for any reason as determined by the board of trustees for One Mission Society Canada, the remaining restricted contributions will be used where most needed."

Please note that the Canadian Council of Christian Charities has published a website called [Give Confidently, Give Generously](#). On this site you may search for OMS International Canada and receive pertinent information about OMS, whether you are a donor or a prospective donor.
