### **Haiti**

Around midnight on December 13 a fuel tanker truck overturned in the city of Cap Haitien. As fuel leaked out, people rushed to collect it. Then the truck exploded. Latest figures say 75 have died, many more are injured and houses in the area were destroyed. Local medical facilities are woefully inadequate for dealing with so many with serious burns.

Please pray for

- comfort for those who have lost loved ones
- miraculous healing for those with burns and other injuries
- strength for the medical staff and the ability to maximize facilities available
- God's intervention in Haiti - the release of those held hostage and the restoration of order
- that God's people will remain faithful and grow in this difficult time.

Because Jesus lives we can face life today, tomorrow, and forever,
