

## **OMS Prayerline - Friday, January 12, 2024**

### **Pavlo and Halya Lozynsky, Ukraine**

A soldier who is associated with the OMS team in Ukraine and is a believer, writes that his unit has had many casualties and they need a miracle from God. He says he does not have the strength to see men die or break down mentally.

Ask God to give the soldiers the strength they need, particularly those who know Jesus.

Ask that Christians in the army will share their faith with their comrades.

Ask that the war will come to a soon and just end.

### **Professionals Overseas, P.**

Field and area leaders from all over the world are meeting in the OMS offices in Greenwood, Indiana this week to share reports and make plans to move forward.

Ask that each person will be encouraged and refreshed to return to their tasks.

Pray for wisdom as they discuss how best to address specific difficulties and how best to advance God's kingdom work.

Pray for new workers for all the OMS fields.
