Mark and Livia Nelson, Estonia

The daughter-in-law of a Christian lady in south Estonia that Livia has worked with for many years is hospital in labour. Her due date is January 25, but today the doctor said there was no heartbeat. The doctor has induced labor, but is sure the baby isn't alive.

To make it worse, her own mother is battling cancer.

The young woman's name is Reelika. Neither she, her husband or her mother are believers. Pray that God would touch each one involved, and pray that her mother-in-law (the only committed Christian in the family), would know how to give the kind of support that is needed in such a situation.

Because Jesus lives we can face life today, tomorrow, and forever,
