

OMS Prayerline – Thursday, January 23, 2020

George and Susie Crawley, OMS Board Member

George has been hospitalized for the past few weeks. He went in for a treatment for iron deficiency, which is a normal thing for him. While there, his blood sugar went for a trip and he was admitted. His breathing deteriorated, so they put in a breathing tube. Then he began to suffer from unusual confusion. Tests showed that there is some sort of bacterial infection in his blood. Susie said that he seemed a little better yesterday. He opened his eyes a little and she thought he recognized her.

Please pray for George and Susie, for God's healing touch and God's peace and strength for both of them.

Mobilization

Pray for preparations for Missions Week at Trinity Western University Jan 29, 30 and Missions Fest Vancouver January 31 - February 1. Ask God to prepare the hearts to listen and obey His call.

Because Jesus lives we can face life today, tomorrow, and forever,
