

OMS Prayerline - January 9, 2019

Mark Kroes, Canadian Director

Please pray for Charlie, a young adult in the hospital with a very serious infection in his foot that is causing significant complications. The plan is to install a PICC line to administer IV antibiotics for six weeks. Please pray for swift and complete healing so that there are no long term repercussions and for God's peace to flow around and through Charlie and his family.

Bill and Julie Edler, Haiti

Emmaus University students, (formerly Emmaus Biblical Seminary), are in a month of intensive courses with visiting professors. Pray for stamina for teachers and students and Emmaus staff.

Ask that students will really grasp and remember the material and then apply it in their lives and ministry. Ask God to give Bill and Julie and their three boys good family times in the midst of the busy schedule.

Larry and Susan Weil, Mozambique

Christian Academy of Mozambique (CAM) resumes classes on the 14th. Ask God to guide Larry and Susan as they take care of the inevitable last minute preparations.

Because Jesus lives we can face life today, tomorrow, and forever,
