Professional Overseas, B

B expects to leave for North Ireland mid-August to work with international students for the coming academic year. Pray for the many preparations for this move as well as the logistics for travel, housing, and adjustments.

B asks us to pray for the upcoming funeral of a friend who was a chaplain at a prestigious school in the UK. As the Gospel will be presented, pray that the hearts of many will be open to hear and to accept the Saviour.

OMS Global - Indiana

On Monday, 18th, there was a mass shooting in the food court of the Greenwood Mall, less than a mile from the OMS Global offices. Four people died and two were injured before a citizen shot the perpetrator. The perpetrator lived very near the OMS Global campus.

Pray for the families who have lost loved ones, including the family of the shooter, those who were injured and those who witnessed the attack, including the citizen who killed the gunman. Ask God to use His people in Greenwood to bring His healing love and comfort so that many will come to know the God of all comfort for themselves.

Because Jesus lives we can face life today, tomorrow, and forever,
