

OMS Prayerline – Friday, July 2, 2021

Helmut and Tina Markeli, Retired

Our daughter and family left Regina on July 2 to return to their work in SE Asia as a consultant in English Second Language instruction. Pray for safety in travel, protection from the Covid virus and God's peace as the family with four active children quarantines in a hotel in the capital city for 5 days.

Returning Workers

As countries begin to open up and international travel is permitted, pray for workers who are returning to their fields after extended absences. Ask God to open doors for them, to help them adjust quickly to changed situation and to used them to share His good news of salvation.

Pray for new workers for OMS fields.

Canada

We have just observed Canada Day. Pray that God will guide our leaders at every level to make good decisions. Pray for healing for our indigenous peoples. May believers across our land show the way to the Prince of Peace.

Because Jesus lives we can face life today, tomorrow, and forever,

Tina Markeli
