Bill and Julie Edler, Haiti

Bill and Julie, with Sam, Joel, and Jacob, have tickets booked to arrive in Haiti on August 1st.

Pray that God will guide them and pour His peace into their hearts in these days of visiting family, packing, saying Goodbyes. Bill will be on the faculty of Emmaus University and Julie will be working at Bethesda Medical Center.

Emmaus University, Haiti

As massive instability and political unrest grows, as Hurricane Elsa looms, a small plane heading from Port-au-Prince to Jacmel went down yesterday...Trent Hostetler, Administrator at Emmaus and his visiting friend, John Miller, were killed in the crash. Trent was 35 years old and leaves behind three children, and John 43 years old leaving behind seven. Haiti and those who love her are HURTING. Please keep our country in your prayers. (From Emmaus University Facebook page.) Conditions in Haiti continue to deteriorate, But Dr. Guenson, president of Emmaus University, (Bill Edler is a faculty member), says the only way out is through prayer.

You can listen to Dr. Guenson's chapel message to Emmaus students, mostly in English with English subtitles, on the Edlers blog. And please, join us in prayer for Haiti.

Pavlo and Halya Lozynsky, Ukraine

Pavlo was able to visit his friend in the USA and even celebrate his 40th birthday with him. Two days later his friend went into a coma and went home to heaven a couple of days later. Pavlo writes, "I will never forget witnessing a faith of a man who's dying but wants to worship God and with his weak physically but enormously strong spiritual voice singing 'I will be still and know that You Are God.'" Please pray for Pavlo and for his friend's wife and son as they grieve.

Praise Notes

Collen Taylor's hip replacement surgery went smoothly and she is pain free. She is recovering at home. Pray for strength in the physiotherapy that is to start shortly.

Markeli's daughter and family arrived safely in the country where they work.

The Jording family, OMS USA, have visas and tickets to return to the South Pacific field next week. Like so many others, their return to the field was delayed because of Covid restrictions.

One Lord. One Life. One Calling.

Because Jesus lives we can face life today, tomorrow, and forever,

Tina Markeli
