Happy Canada Day, Belated

We weren't able to send this out in time but we hope you were able to celebrate in some way. Let's thank God for all the good things we enjoy in Canada and pray that God will show each of us what we need to do to make Canada the country He wants us to be.

Professionals Overseas, R.

R came through open-heart surgery very well and is recuperating at home. Pray that this will be a time of rich fellowship with God as well as rebuilding his physical strength.

Flo Epp, Retired

Flo was to have her second chemotherapy treatment July 1. The third chemo is scheduled for July 23 and then doctors will set a date for surgery. So far Flo is doing alright. Pray for strength, managing side effects, and for God's peace. May God's love and light fill Flo and overflow to those she meets.

Haiti, Emmaus University

Guenson Charlot has been appointed to be the new president of Emmaus University. Ask for God's special anointing to lead the school in these days when COVID cases continue to rise, food prices are skyrocketing, and general unrest continues. Bill and Julie Edler and their three boys are still in North Ireland. Ask God to use them to mobilize new workers, new prayer partners and new supporters.

Because Jesus lives we can face life today, tomorrow, and forever,
