Asia / Oceania Field

As Canadians sleep on the night of June 6, the Board of the OMS-related seminary, NBS, will choose one of two candidates to be the new seminary president, (June 7 their time). Pray that God will direct them to give a unanimous decision. Pray for both candidates and their families as they receive the results and accept their responsibilities for the new school year that starts at the end of July.

Professionals Overseas, P.

“The harvest is plentiful, but the labourers are... OLD,” the Filipino pastor at our conference quipped. We laughed, but the comment had a kernel of truth for most of our countries in Asia. The needs around the world remain as big as ever. The hunger for truth, purpose, and meaning, is only growing. And the need for workers remains as significant as when Jesus asked us to pray for the Lord to provide workers.

Ask God to call new national workers on all the OMS-related fields in Asia.

125 by 125

At OMS we are asking the Lord to help us send 125 new missionaries to the fields by OMS’s 125th anniversary (in 2026). Our teams in Asia are growing and we want to invite YOU to be part of what God is doing overseas. Would you be willing to ask God if he might be calling you, or someone you know, to take the gospel to those who have never heard of Jesus?

Pray for new people who are in the application or funding process.

Ask God to call more people to serve under OMS Canada.
