

OMS Prayerline – Monday, June 7, 2021

Brenda Ellis-Tackey, OMS Canada Finance Director

Please pray for Brenda, her husband Paul and their son, Ben, a young adult who has been battling infections for several years. An eye infection resulted in the loss of vision and the need for cornea transplants in both eyes. The first surgery (right eye) is scheduled for Monday, June 7th at 8:00 a.m. EST. Please pray for Ben, for restored vision, for the doctors and nurses, and for the donor's family. Pray that each member of the family will know God's peace, that God's will be accomplished and that He would be glorified.

Third Culture Kids (TCKs) and Their Parents and Teachers

As the school year ends, please pray for the TCKs (children of people who work in a culture different from their own). Many will be returning to their "Passport countries" and facing the challenge of learning to fit into a culture where they look like the majority but feel like strangers.

Pray that they will turn to God for comfort and wisdom. Ask for good friends who will help them understand, adjust and adapt. Pray that God will give their parents much wisdom during these times of transition.

Pray also for the teachers in the international schools like Christian Academy of Mozambique as they say "goodbye" to students and then prepare for the new school year.

Because Jesus lives we can face life today, tomorrow, and forever,
