

## **OMS Prayerline – Wednesday, March 11, 2020**

### **Professionals Overseas, P.**

We have 90-day visas and in order to stay in our host country until our son graduates from high school we need to renew our visas by leaving the country and returning by the end of April. The unpredictability of COVID-19 virus and changing travel costs and restrictions makes it difficult to plan this “visa run”. Ask for clarity to make wise decisions.

Our son in Ontario will need to move out of his college dorm at the end of April. Not having a vehicle and needing an apartment that is wheelchair accessible makes the search more challenging. Please pray for God’s provision.

Ask that Christians in places affected by the virus would take the opportunity to show the love of God in word and deed as they assist neighbours, comfort the frightened and share the hope of the Gospel.

### **Donna-Lee Sisson, Mobilization**

Donna-Lee and Helmut Markeli are representing OMS at Global Connections Conference at Prairie College on Wednesday and Thursday. Ask God to give meaningful conversations with students and faculty that will result in new workers for God’s harvest fields.

Donna-Lee will continue visiting schools in Alberta and Saskatchewan in the next week and a half. Pray for God’s presence as she travels and God’s strength in a demanding schedule.

### **Haiti, Colleen Taylor, Bill and Julie Edler**

Unrest continues in Haiti. Pray for God's special strength for Colleen, the Edlers, the OMS family and OMS-related pastors and staff as they live in this difficult time.

Because Jesus lives we can face life today, tomorrow, and forever,

*Tina Markeli*
