

## **OMS Prayerline – Monday, March 16, 2020**

### **Mark and Livia Nelson, Estonia**

While Estonia acted very quickly to contain the spread of the Corona virus, many gatherings have been cancelled. Mark sent these prayer points.

Seminary classes are cancelled but teachers have to find ways to teach the classes online. This is a major prayer request since a number of teachers have no experience in this! Pray that we can make this work so that students can graduate as planned!

Livia is also teaching her classes online. Fortunately, she has the expertise to do it. Karl will fulfill his dream of home schooling. (With teacher Livia's gentle encouragement!) Kata & Martin are moving into their new apartment this weekend, which means having to run around to a lot of different stores to get things they need. Not good timing.

Please pray that we would be protected from the virus and that we would be able to adapt our teaching to this new online situation. At this point the state of emergency lasts "until further notice" so it could be a while.

Fortunately, the greatest doctor of all is with us, and we know He can guide us through this for His glory.

### **Our world**

Pray for government leaders everywhere as they grapple with the implications of the COVID 19 pandemic.

Ask God to help His people be light and salt by staying calm, loving their neighbours. Pray for our nation. May the current pervasive fear lead us to repentance and open hearts to hear and accept the Prince of Peace for themselves.

Because Jesus lives we can face life today, tomorrow, and forever,
