Happy Thanksgiving

This Thanksgiving Monday we thank God for you, our prayer partners. Without you work on OMS fields and the OMS office in Burlington, ON, would be much more difficult. Thank you for helping to carry the load.

Haiti, Colleen Taylor, Bill and Julie Edler,

The unrest continues and diesel fuel for the generators and vehicles is nowhere to be had. Pray that God will get diesel fuel to the north. Radio 4VEH, Bethesda Medical Clinic, Cowman School, Emmaus University all depend on generators for electricity and need gas for vehicles.

Pray for safety for the Haitian workers as they try to go to work and go home again. Ask God to settle the unrest. Ask God to give His people, Haitians and foreigners, His special grace for this situation which has been going on for over a month.

Ecuador

The International Monetary Fund has ordered the government to remove subsidies on gasoline and diesel fuel which has led to a lot of unrest, similar to the situation in Haiti. Pray for God's peace and wisdom for every believer in the country that they may be light and salt in these days.

Mark and Livia Nelson, Estonia

Mark asks us to pray as he prepares from important meetings on the 25th and 26th.

South Pacific Field

The OMS-related seminaries in a SE Asian country are grappling with insufficient funding and a shortage of teaching staff as some staff members retire. Pray for God's provision. Ask that the programs at the larger seminary will get the needed government accreditation.

OMS Japan

Thankfully the OMS team in Japan was not affected by the recent typhoon. Ask God to use the missionaries, pastors, and seminary students as they work to help those who are suffering from this typhoon and the one just a few weeks ago.

Because Jesus lives we can face life today, tomorrow, and forever,
