

OMS Prayerline - August 22, 2019

Haiti

Continue to pray for Dr. Rodney and the Bethesda Medical Clinic near Cap Haitien as they work to purchase land for a new clinic. Ask for favour with Government officials who have to process the paperwork so that costs will not escalate. Pray for those drawing up plans to have God's wisdom.

Third Culture Kids

Most of the international schools around the world are already in session. Pray for teachers to understand the needs of the their students and for students to adjust quickly. Ask for God's special comfort for those in dormitories who are far from their families and for their parents too.

Colleen Taylor, Haiti

Colleen is coming to Alberta for her holidays. Ask for safe travels, good rest and refreshing as she spends time with family and her home church.

Because Jesus lives we can face life today, tomorrow, and forever,
