

OMS Prayerline - February 14, 2020

George and Susie Crawley, OMS Canada Board Member

George has been in ICU since before Christmas and largely unresponsive. He is on dialysis as his kidneys have stopped working. The family has been called in for Sunday and the breathing tube will be removed. Pray that God will be honoured, whatever the outcome may be. Pray for God's special comfort for the family

Beatty and Barb McLean, MFM

Barbara has been having eye problems for some time. At the moment she is putting several kinds of eye drops in her eyes several times a day, hoping for a planned surgery in May. She needs the touch of the Great Physician as the condition seems to be slow in responding to treatment.

Donna-Lee Sisson, Mobilization

Pray for Donna-Lee as she follows up the people in Manitoba and BC who indicated interest in serving with OMS. Pray that God prick and prod those who He wants on OMS fields. Ask God to work to remove obstacles for each one.

Professionals Overseas, P

Our son in Canada was assaulted by two men while he was helping a young woman escape her sex traffickers. He suffered a serious concussion. He improved some and now has a relapse. Pray for God's healing touch on his head and on his heart. Pray also for the young woman and those who would try to entrap her once more.

Because Jesus lives we can face life today, tomorrow, and forever,

Tina Markeli
