

OMS Prayerline - July 3, 2019

Africa

Please pray for Village Church planting teams in Africa. A Village Church Planter and seven members of his congregation were killed during a Sunday service in May. Pray for the families as they grieve and try to re-establish their lives.

Pray that God will help Village Church Planters in Uganda to educate their people about the spread of the Ebola virus. Ask that the fear mongering and denial will be replaced with truth, that the people will accept the vaccine, and that it will be effective both in Uganda and neighboring Democratic Republic of Congo.

Marlowe Janke, George Crawley

Marlowe, Men for Missions, had back surgery and George, OMS Canada Board member, had his pacemaker repaired last week. Pray for complete healing for both men. Ask that this time of recovery will be a time of great blessing for them.

Because Jesus lives we can face life today, tomorrow, and forever,
