

OMS Prayerline - November 12, 2018

Radio 4VEH

A team visited the community of Birel (BEE-REL) in northeastern Haiti, on the 8th and 9th, distributing solar powered radios and encouraging the local pastor in this isolated and hard-to-reach area. Ask God to give the new believers a deep desire to grow in Christ regardless of what that might cost them

OMS Supporter

Please pray for Renate, a faithful supporter who continues to suffer with severe nerve pain in her back. The pain makes sleep and every move difficult.

Daryl and Harriet Raugust, OMS/MFM supporters

Please pray for Daryl and Harriet's little grandson, a "very early bird" baby. After some good progress in his 33rd week, there are more steps backwards. Feeding tube and IV had to be re-inserted and he is back on oxygen. Pray that his oxygen levels and heart rate will stabilize and that God's plans for this little boy will be accomplished. Ask God to give His peace for the entire family.

Because Jesus lives we can face life today, tomorrow, and forever,
