Radio/TV 4 VEH Haiti

Fuel prices continue unbelievably high and often fuel is not available due to the gang violence in the country. Some of the AM stations have had to go off the air because of lack of fuel. Ask God to provide fuel and to stretch what little is available, as He did for the widow of Zarephath and the widow whose sons were about to be sold into slavery. (See I Kings 17:8-16 and 2 Kings 4: 1-7.)

Pray for protection, wisdom, and strength for the 4 VEH staff as they share God's Word over the air waves.

Pavlo and Halyz Lozynsky, Ukraine

Pavlo and Halya's daughters, Sophia and Chrystyna, have started attending a school in southern Ontario. Pray for their adjustments to this very different environment while also keeping up with some of their Ukrainian courses online. Pray for housing from September 24 until Christmas.

Continue to pray for the team in Lviv as they purchase and distribute relief supplies and also share God's Hope with those who come to them.

Professional Overseas, B

B and his friends are holding "welcome" events for international students at the nearby university this weekend. Pray that God will connect them with those whose hearts He is preparing to hear His Word throughout this coming year.

Nathan Krampitz, Retired

Nathan is still recuperating in hospital. Pray for increased strength in his legs and that he can learn the techniques for a different method of home dialysis. Pray too for adjustments that will be needed in his home. Ask God to use him to bless hospital staff and patients alike.

Because Jesus lives we can face life today, tomorrow, and forever,
