

OMS Prayerline – Friday, September 11, 2020

Stan Dyer, Retired (Japan)

Please pray for Stan's brother, Paul, former missionary in Africa and now in Kentucky. Paul is in the hospital, very ill with COVID 19. Please pray for God's intervention and healing.

Flo Epp, Retired (Indiana)

Praise God that Flo has come through her surgery well and the doctor is pleased with the result. Flo is now at home recuperating. Pray for God's healing touch on her body and God's continued peace in her heart.

OMS related seminaries

Pray for God's special wisdom for the OMS-related seminaries and training centers as they work to train new workers in the midst of the Covid pandemic. Many are using on-line classes but in some countries the technology and infrastructure are not available to the students. Others note that on-line classes do not give the same opportunities for day-to-day discipleship that is so important. Pray for God's protection over the faculty, staff and students in each location.

Because Jesus lives we can face life today, tomorrow, and forever,
