### **Pavlo and Halya Lozynsky, Ukraine**

Pray for a just end to the war. Ask for wisdom as Pavlo and Halya minister to those who return from the front with life-changing injuries.

Pray for wisdom as they cooperate with another congregation and explore the possibility of merging into one group.

Pray for God's clear direction for their older daughter in her last year of high school.

### **Rebecca Cooper, OMS Canada Office Administrator**

University students make a lot of important decisions during the first month of the school year. They decide on classes and on who their friends will be, what they will do on the weekends, whether or not they will go to church on Sunday. This may be even more crucial for international students.

Pray that I and others who work with international students will be able to make good contacts in these first weeks of the school year. Pray for open hearts and minds to hear and receive the Good News of life in Jesus.

Pray also for high school, middle school and even elementary school students who are choosing friends and how they will interact with their teachers.

Pray for Christian teachers for all ages as they get to know their students, model Christ-like living and, as appropriate, share the reason for their faith.
